

CODIB-D-71/2
13 January 1961

UNITED STATES INTELLIGENCE BOARD
COMMITTEE ON DOCUMENTATION

IBM Literature: Message Composing Typewriter

1. Attached is Copy No. ____ of a Company Confidential paper from the International Business Machines Corporation's Electric Typewriter Division entitled Technical Proposal: Message Composing Typewriter, U.S. Government Agencies. This is the document referred to at the 12 January CODIB-sponsored demonstration in CIA's Central Building. Included with this copy is a receipt which should be signed by each CODIB principal or alternate member and returned to the Secretary.

2. There is one copy of this paper for each Department or Agency; it is requested, therefore, that this be brought to the attention of your representative on the CODIB Working Group on Remote Systems Input since it will be the subject of a Working Group meeting called for Thursday, 26 January 1961. Working Group members include: STATE: Mr. Benjamin H. Fisher; ARMY: Lt. Col. John J. Gillespie; NAVY: LTJG Paul L. High; AIR: Mr. Alan M. Eldridge; [redacted] Chairman.

3. For your information, a list of attendees at the 12 January demonstration, who presumably would be interested in this paper, is attached.
